Sandmartins News...

This term has certainly flown by and we have been busy at Sandmartins. We have welcomed new children and new members of staff and it's been fun getting to know each other and settle into a routine before the day starts and after school has finished.

Spring is sprung!

Our outside area has been having a spring clean and although we haven't yet been able to use the outside area, we have begun putting into place some of the exciting plans into place. We would still really welcome your thoughts, ideas, help and support in making this area a really fantastic place for our children to play. This could be anything from voluntary labour, donations of equipment or materials, or even suggestions of contacts that may be able to develop the area. We would

particularly welcome any donations of plants, spare paving slabs, pots, garden tools or gloves. Any help with this exciting project then please speak to Val, or email the club.
