### Sandmartins News...

Well the Summer has flown by and Autumn is here! As we welcome the falling leaves and Autumn weather, we also welcome lots of new children and their families to Sandmartins. Lots of familiar faces have returned and everyone has settled back into the school term brilliantly.

Our Summer Holiday activities went well and you may have noticed a couple of new additions to our outside area.....a new wooden pergola to provide shade and shelter, and a lovely shed, which we are planning how to decorate .

Please see separate October Half Term holiday programme for more details of activities, available from the club and on our on the website.

### POLITE REMINDERS

#### CLUBS

Please ensure that you let us know if your child is attending a club. We need to know if you wish us to pick them up afterwards to bring them back to Sandmartins.

#### CHANGES TO ARRANGEMENTS

Please let us know if your plans change and you do not need us to pick up from school, as, if your child is booked in, we have to wait and find them after school and this can lead to long delays, if your plans have changed, and you haven't let us know. **This will also incur a fee of £5 if we haven't received notice of cancellation from you.**

#### COATS

Please ensure your child comes to the club with a coat as we have to walk to and from school and we plan to use the outside area after school.

#### ONLINE PAYMENTS

Please ensure you change the reference to match your invoice each time you pay.
