## Sandmartins News...

Welcome back to old and new families at Sandmartins. We have settled in quickly to new organisation, new routines and very different times! However, the children have been fantastic at following all the new rules and staying in their new areas.

We continue to make good use of the outside area, while the weather is good. We also have a new Marquee which we have been decorating and setting up for use when the weather is not so good, as it will provide us with some much needed extra space.

## Fundraising News

**WANTED**  
Odd Job Volunteer

We will be having a Christmas raffle. Please support us by donating a prize. We will be collecting prizes after half term.

Money raised will be used towards improving the outside area.

More details to follow.

#### PROMPT PAYMENT
