

Sandmartins

Activity Club

Due to the current situation and the Government Guidelines announced whereby schools are to be closed from tomorrow 5th January 2021, with the exception of children of critical workers and vulnerable children, Sandmartins regrettably will be CLOSED as from Tuesday 5th January 2021.

The guidance indicates that we will remain closed until the February half term.

I will be continuing to assess the situation and be guided by Government Guidelines.

Stay safe and well
