

Notice to Parents 27th January 2023

This Notice is being sent to parents/carers in view of the pending strike by Teachers on the 1st February and the impact this will have on Sandford St Martins Primary School.

Sandmartins has made the decision to open for the day along the lines that we operate during the holidays and provide a craft day for the children who attend the Club along with a cookery session as well.

For those who would normally be attending our breakfast club and afternoon club on the Wednesday that service will still be available but extended for the full day to cover the situation as mentioned.

The cost for the day will be at a special rate of £15 for the day 7.30am to 5.30pm a packed lunch will need to be provided.

For those parents who are registered we would ask you to confirm whether you wish to use our services as we will also be offering our services to those parents who are not registered with Sandmartins.

In this respect we would ask that you let your friends know that Sandmartins will accommodate their child/children on this day subject to the following. Priority will be given to those who are registered with Sandmartins

1 Payment of £15 in advance on arrival at Sandmartins.

2 Completion of a special registration form to provide essential details of children and contact details if not registered with the club

Numbers will unfortunately have to be restricted.

Please reply by email to val@vbowbanks.plus.com to advise me whether you wish to use this service on Wednesday 1st February so that I have an idea of numbers, so that I can ensure I have the correct staffing arrangements in place.

Thank you.
