NOTICE TO PARENTS

Re HAF Programme

We at Sandmartins have applied to Dorset Council to be a Provider of Holiday Activities and Food, HAF Programme, for the next main holiday at Easter, and our application for funding under the Programme has been successful.

This funding means we can offer fun activities and tasty food free of charge to a number of children who are:

- in receipt of benefit-related free school meals
- attending school in the Dorset Council area

Once you sign up see link below you will receive your holiday pass code by text or email. Keep your code somewhere safe as you'll need it to book free places on holiday activities at Sandmartins during the main holidays, with the next qualifying holiday being Easter followed by the Summer Holidays. Places are limited

Please let me know you are interested and that you will be applying for a place so that we can keep a record of the numbers applying.

Once you receive your pass code please let us know and also advise us of your booking requirements for your child/children to attend during the Easter Holidays 2026, as mentioned places are limited

Thank you
