

NOTICE TO PARENTS

Re Price Increase in Childcare Fees

This Notice to all parents/carers is to let you know that with effect the 13th April 2026 our prices for attending our breakfast club, and after school club will increase. Also our holiday club prices will increase starting from the Easter Holidays on 30th March 2026.

Please note details of our Price List with Terms and Conditions has been sent to parents/carers by mailshot. Also the information is available on our website.

The increase in charges reflects the increased costs encountered in running the Club, in particular the increase in the minimum wage in April 2026. It is with regret that we have little alternative but to increase our prices.

We have endeavoured to keep the price increase to a minimum but we reserve the right to review our prices again later in the year if required.

Thank you.

Val Bowbanks

Manager
